

Tufoil Engine Treatment

This advanced formula engine treatment contains PTFE and soluble molybdenum to produce the lowest friction and wear of any known lubricant. The resulting decrease in friction will lower your engine operating temperature, reduce wear, extend engine life and increase fuel efficiency.

| <u>Code</u> | <u>Description</u> | <u>List Price</u> |
|-------------|--|-------------------|
| 755-102 | Tufoil Engine Treatment 8 oz | \$20.79 |
| 755-104 | Tufoil Engine Treatment 1 gal. (6 bottles/box, 12 box/case) | \$230.96 |

Lubit -8 Multipurpose Pen Lubricant

This sophisticated multipurpose lubricant provides outstanding performance as a penetrating oil, rust retardant and cleaning agent. Use Lubit-8 on keys & locks, precision bearings, power tools, small motors, hinges and much more. Lubit-8 will prevent locks from freezing.
